

Funding guidelines for microprojects 2022

The project fund of House of Resources Dresden+ provides funds for small projects up to 2000€.

There are some guidelines to follow:

Funding objectives: Which measures and projects can be funded?

Non-profit projects, which...

- have an integrative and sustainable effect and promote the participation of migrants in social, cultural and political life,
- professionalise young migrant organizations (initiatives and newly founded migrant organizations) and strengthen their visibility,
- demonstrate a high level of voluntary commitment,
- are based in Dresden and/or den Landkreisen Meißen, Mittelsachsen und Sächsische Schweiz-Osterzgebirge,
- support the networking of actors involved in integration work.

How are the projects funded?

Each project can be funded up to 2000 euros. Cultural celebrations are usually funded with a **maximum of 300 euros**. Newly founded migrant organizations can be funded with a **"starter package" of a maximum of 300 euros**, for example to set up public relations work or to cover the costs of founding an association.

The projects must be carried **out by 31 October 2022**. An **external jury** decides on the approval of funding over 500 euros. The **proof of use** for the project (submission of all original receipts and report) must be submitted **within 4 weeks after the end of the project**.

Who can apply?

Non-profit organizations (migrant organizations and local associations which promote integration) can apply for funding.

Networks and initiatives that meet the funding objectives with their project are also eligible to apply. For initiatives, two involved individuals must guarantee in writing that they are fully liable for the charitable and contractual use of the funds before the start of the project.

In 2022 a **maximum of 2 projects + one „starter package“** can be funded per applicant.

We recommend a personal consultation before applying, where the basic eligibility and, if necessary, alternative funding options can be discussed.
